## Property Description

A luxury modern designer villa project to be built in Javea. Price is for the villa project only and we can help find you that perfect plot of land for your villa to be built on.

Using only the best quality materials for the construction of your villa, there will be no detail unattended in the construction of your new villa and it will come with a 10 year guarantee.

We will be with you every step of the way, from the start of the design to the choice of materials to the celebratory glass of champagne on the completion of your beautiful luxury home in Javea.

This villa project with 3 bedrooms and 3 bathrooms and a build size of 192 sqm - Included In the price: Air conditioning (Hot and Cold) throughout the villa, domotic system so you can control lights, blinds A/C etc with your mobile phone or via a touch screen pad, L.E.D. lighting inside and outside of the villa, bespoke kitchen with appliances, luxury fitted bathrooms, Underfloor heating throughout with thermostats in each room, solar panels, video entry system on front gate, Electric gates, Infinity swimming pool, Landscaped garden with 25 trees to include palm trees complete with a watering system, Automatic blinds inside and outside the villa, BBQ area, Top specification windows and doors, built in wardrobes in all bedrooms, T.V. Satellite connection, alarm System

All permissions and Architect fees water and electrical connections included.

We have many villas that we are now building here on the Costa Blanca and can show you differ...
