Property Description

A luxury modern new construction villa overlooking the Mediterranean Sea in Jávea on the Costa Blanca of Alicante. This luxury modern villa is a new designer property that comes with a building permit from the town hall to start the works. Situated on an almost flat plot of 1070 m² land, this villa offers spectacular views of the Mediterranean Sea and the beautiful Jávea mountains. The location of this villa exudes an air of exclusivity and offers unbeatable views of the sea. The villa is spread over three levels and comprises of 4 en-suite double bedrooms that are distributed throughout the property. The layout of the plan has been designed to create a fascinating experience, and the architectural "Wow Effect" comes to life as soon as you enter the villa's large 796 m² space. The villa features a fully equipped open kitchen, a living room, a dining room, and a chill-out area that is illuminated by

LED lights and equipped with a bonfire and barbecue area. This villa offers the ultimate in luxury living with a range of high-quality fixtures and fittings. The indoor pool comes with a Jacuzzi, and there is a Sony fully equipped cinema room for your entertainment. The outdoor area features a self-cleaning saltwater pool with LED lights of various colours, which can be controlled via a hi-tec remote control. The villa also comes with fixed blinds with motorisation and mosquito nets in all the windows, tilt and turn. LG Multi V 5 heat recovery pump provides hot and cold air conditioning through hot and cold underfloor heating systems with independent thermostats in each room. ...
