Property Description

Spectacular Villa with mediterranean views This villa boasts outward architecture designed to celebrate and share the beauty of the blue Mediterranean. The entire house is situated on the upper floor, providing extra comfort. The night area features three en-suite bedrooms filled with natural light, preserving privacy from the day areas. The living room, dining room, and kitchen connect with the exterior through glass walls, creating a constant visual connection with the sea. The infinity pool dominates the terrace of over 70m². A multi-purpose basement with two porches and a garage completes the house. The exterior structure features geometric shapes covered in glass and natural stone sheets in grey, contrasting with the white façade. The master bedroom terrace cube stands out, extending out and directly facing the sea. Please contact us for more information!
