Property Description

A perfect location in Tosalet from where you can enjoy spectacular panoramic sea views and sunsets across the bay of Javea to the Montgo mountain and the charming village of Javea.

The property is located within the very sought after urbanisation of Tosalet with its well-kept infrastructure and magnificent gardens, which stands out from the rest of the surrounding area. All services such as restaurants, supermarkets, pharmacy etc... are only a few minutes drive away.

In a quiet location, you find this romantic villa in a traditional style with its original materials such as Tosca stone and surrounded by it's beautiful Mediterranean garden with different landscaped areas of

plants such as date palms, yuccas, cactus, bougainvillea, oleanders etc...transmit an immense tranquillity, relaxation and well-being, for a restful holiday or permanent home.

This beautiful Mediterranean style villa is distributed over 2 floors offering a spacious layout of large rooms. A split level living/dining and kitchen area leading out to the most amazing naya where we are sure you will want to spend all your time enjoying those huge views - the naya is the perfect area to entertain and shade from the long hot summer days.

There are 5 bedrooms and 3 bathrooms -Ideal as a family home or for visiting guests to spend quality time together with lots of space and privacy.

For your comfort the villa is equipped with double glazed windows and air conditioning in all rooms. There is also a fireplace in the lounge.
