Property Description

New Luxury Avant Gard designer villa for sale in Benissa with stunning panoramic sea views. This stunning villa project to be built, is located a short distance from the Coast of Benissa. It offers a unique blend of tranquility on the hillside and the dynamism of nearby tourist towns along the Mediterranean coast.

The exterior mirrors the traditional dry stone masonry walls found in the region, and the construction process minimizes major earth moving, preserving the existing land with traditional stepped levels of garden landscaping on the 1628 sqm plot.

The property layout will be purposefully designed to take full advantage of panoramic Mediterranean sea views. This residence stands as a practical embodiment of architectural excellence and environmental consciousness, offering a seamless blend of coastal living and modern comfort.

The villa will be built with state of the art installations and high end materials and finishes. The interior will feature 4 bedrooms and 4 bathrooms, open plan spaces all distributed over one level of 320 sqm.

Perched on an elevated vantage point with sweeping views of the Mediterranean sea and the imposing Ifach Rock in Calpe. The property boasts a combination of silence, sea breeze, nature and sea views, all within a 5 minute drive to local amenities, restaurants and nightlife.
