Property Description

Walk to the beach! This newly built 3 bedroom villa combines modern elegance with a privileged location, just a few steps from the impressive Caleta / Cala Blanca, one of the most beautiful coves in the area.

Enjoy life on one level with this luxury residence with open plan living comprising of living-dining room, a sleek modern white kitchen, a convenient laundry room, and three bedrooms, including a master suite with private bathroom and dressing room. All designed to provide you with unparalleled comfort and style.

Immerse yourself in the brightness of this house thanks to its generous windows that flood every corner with natural light. Additionally, it features modern amenities such as central underfloor heating, aero-thermal system, and air conditioning in the bedrooms, to ensure your comfort in all seasons.

But that's not all, the exterior will also surprise you with a landscaped garden, a pool with pre-installation of a heat pump, and ample parking for several vehicles.

Undoubtedly, the highlight of this property is its proximity to the beach, allowing you to fully enjoy coastal living at its finest! Furthermore, the convenience of having all amenities on one level makes this villa the perfect choice for your next home in paradise.

Don't miss this unique beach side property opportunity in Javea!
