750,000

Ref: 707335

Particulars

- 5 bedrooms
- 3 bathrooms
- 258 m² build
- 1453 m² plot

Property Description

Unique opportunity: Villa with endless views in Javea, ideal for investors.

This luxury villa, built in 2004, offers unparalleled panoramic views ranging from the bay of Javea to the mountains of Pego. Set on a plot of 1400 m², it has two fully independent floors, ideal for large families or investors. Enjoy 5 spacious bedrooms, 3 bathrooms, 2 equipped kitchens, 2 bright living rooms, several terraces, a summer kitchen and a solarium with spectacular views

The generous plot offers great potential to extend or remodel the property, adapting it to your needs. Its privileged location, just a few minutes from the Arenal beach, guarantees a high profitability in

holiday rentals.

Can you imagine having breakfast on the terrace while watching the sunrise over the sea? This villa offers you the opportunity to live a unique experience.[IW]
