Property Description

This beautiful project for a new build villa in the exclusive area of San Jaime is waiting for you! Overlooking the Golf Ifach with its nine wholes makes the location of the property extra ordinary, first line to the golf course! The beach, supermarket restaurants and the centre of Moraira are also very close by! Enjoy this ibiza style villa the whole year throughout due to its convenient south-west orientation and the tranquil street it is located in.

We enter trough the automatic gates onto the drive way and will be able to park our car under a carport. The main floor consists of a bright living-dining room, open plan fully equipped kitchen with a laundry room and a guest toilet. Big sliding windows will give out to the pool terrace where we find a spacious heated infinity pool and a porch to look for some shade when it is too hot or to enjoy the last evening sun while enjoying dinner with friends or family. The garden will also be beautifully landscaped.

Back inside a staircase leads us up to the first floor where we find all three bedrooms with fitted wardrobes made of oak wood and 2 bathrooms with microcement elements. The master will have an ensuite bathroom. To finish off there will be a large balcony to share between all the bedrooms! This villa will enjoy very nice finishing touches, underfloor heating, air conditioning, double glazed windows and hot water via an aerotermia system.
